ORDER:

Heard the learned counsel for the petitioner as well as the learned Government Pleader for Land Acquisition.

Learned counsel for the petitioner submits that the petitioner is one of the joint shareholders in respect of the land in Ac.2.32 Guntas covered by S.No.87 situated at Ootapally Village of Shamshabad Mandal, Ranga Reddy District. Pursuant to the paper notification issued proposing to acquire the land under Section 4(1) of the Land Acquisition Act (for short 'the Act') dated 29.11.2005 and a draft declaration under Section 6 of the Act in respect of the said land, notices have been issued under Section 9(3) and 10 of the Act dated 07.12.2005.

The learned counsel further submits that the petitioner filed objections on 12.12.2005 and 26.12.2005 requesting the respondents to furnish the certified copy of the sanctioned lay-out plan along with the extent of land, belonging to the petitioner, which is being affected, but the respondents have not furnished the same.

The learned counsel further submits that the petitioner is not at all against the acquisition of the land in question for the formation of outer ring road but she questions the manner and method in which the respondents are proceeding to acquire the land pursuant to the land acquisition proceedings.

Learned Government Pleader submits that insofar as furnishing a copy of the sanctioned layout plan of the outer ring road is concerned, the respondents shall not have any objection for furnishing the same on payment of requisite fee. Insofar as the demarcation is concerned, he submits that the respondents have already demarcated the land showing the particulars of area through which the ring road is passing and the respondents are also ready to furnish the relevant map.

Having regard to the facts and circumstances of the case,

the respondents are directed to furnish the relevant copy of the sanctioned layout plan along with the extent of land, which is being affected and also the relevant map on payment of requisite fee within one week from the date of receipt of a copy of this order.

The writ petition is accordingly disposed of.
